My dear Miss Weston,

I regret that  
I cannot comply with your request  
of subscribing towards the publica-  
tion of the "Liberty Bell." I am  
not a Member of any Abolition  
Society, and I visited your Fair  
at the request of some friends,  
and was induced to repeat  
my visits in consequence of the  
many and great attractions

of your table and  
that of your sisters,  
to whose politeness in receiving  
some curiosities for me at my  
request, I have felt much  
indebted.

With much regard  
I remain, Yrs, —  
C. W. Loring.
